

President's Report –For Week Ending January 22nd 2016

Thank you to Lee and Bob for hosting our social evening last Friday at their home. An enjoyable and convivial time was had by all who attended. The Club has a busy few weeks ahead with Australia Day coming up, a Vocational visit to House of Hope Food Barn at Warrawong on January 29th and helping out at Wave Fm's Breakfast on the Beach on Sunday February 14th. This Friday we will be distributing just under \$12,000 from our Christmas Raffle to our 4 chosen Organisations. We'll also be hearing from our 2 RYLA candidates , Billy Fox and Jake Cunningham with their thoughts on their time at the week long camp at Springwood, and Brian Ashe will be giving us our final instructions to those Club members participating in the Australia Day Re-enactment on Cliff Rd. Please read your Newsletter and check out our Website (www.illawarrasunrise.org.au) to mark in your diary key events happening over the next 6 months. Look forward to seeing you all this Friday
