

President's Report for Newsletter - Friday March 4th 2016

March is here already and there is so much on the Sunrise Rotary Calendar over the next little while for Club members to get involved in. Don't forget it's still not too late if you can spare an hour or 2 this Sunday helping out with Clean up Australia Day. Please contact Rowan Huxtable as soon as possible. Planning is underway for Swing into Wings on Saturday April 30th and Ride for Rotary on Sunday May 22nd.

Thank you to those Club members who came along to our Christmas Raffle meeting last Monday night at the Novotel . Some good suggestions and recommendations were put forward on how we can improve this year's event.

This Weekend I will be attending the District 9675 Rotary Conference at Nelsons Bay. I will detail the conference highlights in next week's Newsletter and on the website .

Please continue to regularly log onto our website www.illawarrasunrise.org.au for the latest on upcoming events, meetings, guest speakers and much more. Michael Yabsley and others are continually updating the website so please enjoy the fruits of all their hard work .
