

President's Report for March 25th

Could I ask all Club members to read this Weeks Newsletter and log onto our website, www.illawarrasunrise.org.au , and make note of the dates of those relevant upcoming events of interest, namely the Polio Movie Night on April 13th , and our Swing into Wings Dinner on Saturday April 30th, for which bookings are now open. It would be terrific to have as many Club members as possible attend both nights.

Can I take this opportunity to wish all Club members a safe and Holy Easter Break . There is no Club meeting this Friday, being Good Friday, but we are back Friday April 1st
