

President's Report for w/e June 17th 2016

As the District Rotary Clubs prepare for their Changeover Functions, the majority of which will be held in the last week of June , can I encourage Club members to support our Group F Colleagues, and if you can make it along to some, or all of the Changeover Dinners I'm sure you will be made to feel most welcome and will enjoy the atmosphere and camaraderie. I know I really had a ball last June as I attended all the Changeovers and got to know my fellow Club Presidents on a more personal level.

I will have all the Clubs Changeover Dates-Venues-times- Dinner costs posted up on our website by early next week , and a full list emailed out via Secretary Isla.

Just a reminder, our special guest speaker this week is Martin Vasseur, our Exchange Student, who returns home on July 2nd . This will possibly be our last opportunity to see and hear from Martin before he leaves, so I hope as many of the Club members can make it to Friday's meeting. See you all bright and early Friday morning.
