

District Secretary : Di North's Page

I have been asked to publicise these local event for members to note dates in their diary.

1

Help is needed to man a BBQ at the Mt Keira lookout on **Sunday 30th October** from 6AM to 4PM. This is ***the day the "Radiance of the Seas" will be coming into Port Kembla Harbour*** and they are anticipating many people will be at Mt Keira lookout to witness this event, which is why this BBQ is starting so early. During the day buses will be bringing passengers from the ship to the lookout where they not only can take in the views but also experience an Aussie BBQ. Wollongong Rotary Club is co-ordinating this combined Illawarra BBQ event. For more information contact Leigh Robinson.

2

The Carols in the Mall will be held on **Saturday night 17th December**. Last year they were held in the Botanic Gardens and Rotarians from all the Illawarra clubs helped out. This year the carols will be held in the Wollongong Mall. Help is required with barbecuing and selling glow sticks, etc. Leigh Robinson is co-ordinating this event.

3

Both Corrimal Rotary Club and Wollongong Rotary Club will be running barbecues at this year's ***Santa Pub Crawl*** on **Saturday the 10th December**. (Wollongong RC at Gilligan's Island, and Corrimal RC in the Mall). If any member would like to offer their services it would be greatly appreciated. Corrimal run their barbecue until about 2AM so they need as many hands as possible to cover all the hours.

4

North Illawarra Rotary Clubs will be having a combined ***Christmas Party function*** on **Friday 2nd December** at Wollongong Golf Club.

Many thanks.

Kindest regards

Di
