

Presidents report – 16th to 22nd October 2016

Welcome to this week's Presidents report. The membership committee met Tuesday 18th at Rowan and Theresa's home. Great night, as we started with a BBQ and a good lively discussion. Great ideas led to three actions to take place.

First, to seek testimonials from those we sponsor and add to our face book and web page. Testimonials are a driving force behind people's decision making. Secondly, to make an online poll on how often we should meet. Thirdly, to conduct our meeting from the information stored on our web page as it is a source of information.

Glenda Pearce was our guest speaker on Friday. Glenda is General Manager of Interchange Illawarra an organisation that provides services to people with a disability as well as their family. Glenda explained that by providing holistic support and flexible options the life of those with a disability, their carer's and their families can improve. Thank you Glenda for an informative insight as to the great work Interchange Illawarra does for our community.
