

Australia Day March

It is that time again of "Call to Arms" where I ask you to come along on Australia Day and show Wollongong how it was done. Just a short walk up a slight slope in hot sweltering conditions for a free drink of water. That is what Rotarians do and also it would seem that Irish Pipe Bands do as well. I would ask that you return ,by email, your position for the day. There are 4 things you might be able to do. March, Wench, Help in some other way or not be able to attend at all. If you could please advise me as soon as possible so that plans can get underway
