

Movie night wrap up

Hi everyone,

Thank you for your support of the movie night! I hope everyone who attended enjoyed it.

We had 250 people attend and I think have made a profit of \$3216.

I think that is the best to date but was helped by some donations (total approx \$150).

I'll write up a report with income, expenses and the part of the profit due to each club and send it to you when done. I do need to check there are no errors or extra expenses.

Please thank your members for attending and especially members who invited family or friends to come with them.

Please also pass on my thanks to everyone who brought some food. It looked very good and clearly was. I don't think there was anything left!

Likewise all 36 bottles of champagne and all of the juice was drunk.

Regards,

Sue
