

Thankyou from Exsight Tandem

Hi Tony

On behalf of Exsight's members, I would like to thank you and rotary Club Illawarra SunRise, for giving us the very much needed financial support throughout 2016, not least of all, for the extremely generous donation from your recent Christmas Raffle.

It is with financial support that Rotary has given us, along with similar donations from TRN, and not forgetting the membership donations that has meant that Exsight can continue to provide opportunities to cycle and, now, Acoustic Target Shooting that Geoff Hunter presented to your club at the Vovatel Breakfast meeting prior to the Christmas Raffle, to those people who would never experience the pleasure and challenge of sports like the above.

Please pass on our grateful thanks not only to your club but, all of the Illawarra Rotary club members.

Geoff Stratton

President.
