

## CLEANUP DAY 2017

A powerful team braved the rain on Mt Keira to help with Cleanup Australia Day on Sunday 5th March

We cleaned up at the summit lookout, above the hairpin bend, and at Robertsons lookout.

The feature photo shows team members Kathleen Lawrence, Theresa Huxtable and Peters Rixon and Hill recovering at the coffee shop at Mangerton from their life and death struggle with the elements

Its amazing what people dump. Carpet, PC, fan, chairs...

torched motorbike – fire hot enough to melt aluminium...

BUT

Mt Keira Summit area itself is looking great – well kept and hardly any litter

And a mother and 2 children stopped to help us up at Robertsons lookout
