

Murder on the Orient Express to END POLIO NOW

The Gala polio plus movie night – Murder on the Orient Express, was a wonderful Kenneth Branagh production with all the usual suspects – Judy Dench & Derek Jacobi & Kenneth Branagh himself (Hercule Poirot) representing the venerable Shakespearean actor set. Then, Johnny Depp, Daisy Ridley, Tom Bateman & Penelope Cruz representing those a tad younger.

In all a great night, thank you to ADG our own Peter Rixon for rounding us up with our contributions of plates of something hot which went down nicely with some bubbly & an opportunity to catch up with old friends. In movie speak 'Darling, I haven't seen you for ages') Yep it was a good night & raised more funds for End Polio Now!
