

Wollongong Council RISE and SHINE SPRING CLEANUP

Do you want to help with the council spring cleanup?

The council arranges volunteers to clean up rubbish every spring.

Its something our club helps with every year.

It's very good to play our part keeping the area clean. And it makes good connections between our club , the council and the community. This year the plan is to join up with other volunteers at pukeys.

We will meet at Pukeys at 9:15am on 11th sept and work until about 11:30am. Then we have a debriefing cup of coffee probably at Mudcat.

If you want to join us, just give rowan a call on [0408372792](tel:0408372792). You will need to bring gloves, sunhat and a sense of humour. The council provides garbage bags.
