MATTERS ARISING

BRIAN

- ◇ President welcomed former friend of Rotary Betty Hassen as a member and who will take up the vacant position of Secretary.
- ◇ The 4th Friday in July (27th) is a NO MEETING (and it will be replaced by the monthly social outing. July's outing will be CHRISTMAS IN JULY at *Murphy's Bar & Grill \$60pp* (Unanderra)
- ◇ PRESENTATION of cheque for \$22,570 to UOW scholarship funds on behalf of the RSL Club.

GUEST SPEAKERS: UOW Scholarships

HORRY HOWARD.

5 years previously, arrangements were being put into place to prepare for the Centenary of what is now The ANZAC tradition. Horry's RSL Club (Thirroul-Austinmer) came up with the idea of funding Scholarships from UOW and for only local students, who were descendants of veterans. They looked for fundraising options and had contacts with the Turf Club and that in turn linked them with Peter and Elaine DeVries which linked them to our Club.

As we all know from the media, ("fundraising monies being utilised somewhat illegally by some RSL clubs") all RSL Clubs in NSW have had embargos placed on fundraising/donations. This of course is being addressed but in the meanwhile, they needed a means to hand over their funds to the UOW for the scholarship program and help assisting with the Turf Day events. Therefore Elaine presented the UOW with a cheque for the \$22,570 for a scholarship holder, and this year will be the 4th year of funding.

VALE

HAMPTON, John Joseph

78 years young.

Our sympathy and condolences to our dear member Mark, whose father passed away peacefully on 9th July, fondly and for always remembered as a loyal gentleman who was always ahead of his time.

As requested by Mark and his family, in lieu of flowers, a donation was presented to "The Men of League Foundation".

RENEE and SHEREE of UOW

Our friends from UOW then presented a most comprehensive overview of the University's DONOR REPORT, outlining the tradition of philanthropy as the very foundation of UOW from its inception. The Scholarship donation presented at our meeting is just one of many donations that provide research scholarships in Medical, Engineering, Art and Global Issues.

UOW currently has 190 supported through the year and actually now have 145,000 recipient scholarship graduates working overseas.
